**ATTACHMENT TO ADVISORY ACTION**

**Applicants' amendment to the claims filed on April 15, 2011 has been fully considered but is denied entry because the amendment raises new issues that would require further consideration and search given that such limitations were never previously presented in the claims.**

While the claims as originally filed describe a film coating comprising a **component** selected from the group consisting of modified starch, lecithin, high fructose corn syrup and glycerol, a film coating comprising a **combination** of lecithin, modified starch and at least one of high fructose corn syrup and glycerol has not previously been presented in the claims.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ELIZABETH GWARTNEY whose telephone number is (571)270-3874. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, D. Lawrence Tarazano can be reached on (571) 272-1515. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
